PRAYER DIARY

From September we are going to begin a new prayer initiative to help us to consistently and carefully pray for one another and for our local community. Part of this will be a monthly prayer diary, which will help to keep us up to date with events happening in our church and our community and ensure they are prayerfully supported. It is hoped that members of our congregation can make suggestions for this and ask for prayer for projects they are involved in, e.g. School events, BB/GB events, etc. Another part of this will include a list of members of our church family, which we will make our way through, ensuring each member is prayed for throughout the year. Other than your name, no other information will be given. However, if you would rather **not** be included in our prayer list, please let Rob know before 17th September. We trust this will help us to grow in our love for one another as well as deepen our faith and trust in God. 'The prayer of a righteous person has great power as it is working.' James 5:16
