BIBLE STUDY DISCUSSION GROUP...FOR WOMEN

Biblical Womanhood

What does the bible say about being a woman? Much! As we look at both the Old and New Testaments these studies will help us understand what the bible says about being a woman. Since our own culture also has plenty to say about this subject, we will take time to discuss how we can live in the 21st century as women after God’s heart.

If you are interested in this study but were not able to make the January dates for the first study - don’t worry! We will be starting with a review of study 1 when we meet this month.

Choice of Thursday 22 February at 10.30 am or Tuesday 27 February at 7.45 pm.

These studies are informal, friendly, relaxed, yet will help us go a little deeper in our study of the bible and to know God better through his word.

If you would like to find out more and/or to come along, please do speak to Patricia Jones.
