UNDERSTANDING AND SUPPORTING BEHAVIOUR DPC COFFEE LOUNGE

Join us for an insightful and important workshop on **13 November 7-9pm** led by **Eden Consultancy**, specialists in neurodiversity, autism spectrum disorder and child development. This engaging session will explore behaviour, what is happening in our brains and bodies when we are finding things difficult and how, do we, as the adults in children's lives, best support behaviour and create approaches that equip them to help regulate? Whether you're a **parent, carer, teacher or volunteer with children and young people in our church**, we encourage you to come along and gain some practical tools and fresh perspectives to help children thrive. Register for this free event at www.bit.ly/dpc-eden.

CHRISTMAS WREATH WORKSHOP

This year, our Christmas wreath workshop will take place on Saturday, 06 December, at 10.00 am in the Coffee Lounge. Cost will be £30 to create a traditional or swag wreath (see sign-up sheet for more information).

This is an opportunity to invite family & friends to join together for some creativity and a reminder of the true meaning of Christmas. Sign-up sheet available from Sunday 26 October - Sunday 22 November. Money payable to Lois Bailie.

OPERATION CHRISTMAS CHILD [SAMARITAN'S PURSE]

We invite members of the congregation to take part in this unique Mission project. Full details of how to fill a shoebox are outlined in the Operation Christmas Child leaflets which are available with boxes in the Welcome Area.

As you pack your boxes please pray for the boys and girls who will receive them. Spread the word so that others will also get involved. You will be amazed how God can use a small gift - your gift, to touch a child's heart. Please leave the filled boxes by Sunday 16 November.

HARVEST COLLECTION

The Session would like once again, to thank the members of congregation who so generously supported our Harvest Appeal. A total of £3,400 was collected and all of this money, plus any related Gift Aid, will be distributed evenly between the four missions we currently support on an ongoing basis.
